Management Experience

Rudzani Muhkwanteli, our dynamic CEO, embodies Makatu's grind and growth. From a yard driver in 2011 to leading the charge, he built his own yard services and shaped our evolution. With 13 years in the industry, Rudzani blends old-school hustle with innovation, driving Makatu forward

William du Plessis, our Director, has been a force in vehicle logistics since 1989. With 34+ years of expertise, including 13+ at Motorvia, his deep industry knowledge and commitment to excellence keep Makatu ahead of the gam

Lungile Mnguni, our General Manager, brings 11 years of logistics experience, having led customer care and managed major contracts, including Ford and Mahindra. Her expertise ensures strong client relationships and operational excellence.

Angelique Viljoen, our ISO Officer and Sundry Manager, brings 19 years of hands-on experience in vehicle logistics. Having served as Inbound Manager and Admin Manager at top transport companies in SA, she ensures seamless operations and high standards.

Alexander Heuer, our Business Analyst, brings 1 year of experience in logistics and a national diploma in Logistics. With a focus on cutting-edge development and efficiency, he's dedicated to optimizing our systems for a streamlined future.

At Makatu Business Enterprises, we recognize the critical importance of information security in the automotive logistics sector. As a TISAX (Trusted Information Security Assessment Exchange) participant, we adhere to stringent data protection and cybersecurity protocols that meet the standards set by the ENX Association and German VDA.

Our TISAX Compliance Commitment

Registered TISAX Participant: Makatu is officially registered on the ENX Portal, ensuring compliance with the automotive industry's highest security standards.

Validated Assessment Results: Our assessment results are active and accessible through the ENX platform upon request.

Secure Business Operations: We follow VDA ISA security controls, implementing robust data protection measures to safeguard sensitive client information.

Recognized Industry Standard: TISAX is not a public certification but a framework designed to ensure trust and security within the automotive supply chain.

Governance & Accountability: The ENX Association oversees TISAX on behalf of the German VDA, and our compliance aligns with industry best practices.
